Sir,

Subject:-

Appointment of an Assistant Sanitary Inspector f o r Krishnarajpet Municipality

-oo-

I have the honor to state that the President Krishnarajpet Municipality, reports that ever since the Hosaholalu Village Panchayet was included in the Krishna -rajpet Municipality, the necessity for the appointment of an Assistant Sanitary Inspector for supervision of the sanitation work and execution of distraint warrants for recovery of arrears, is keenly felt and requests that the post may kindly be sanctioned

2 The Municipal Council have resolved at their meeting held on 30-5-42 that one Assistant Sanitary Inspector may be appointed for a period of one year A copy of the resolution is enclosed Provision has been made in the current year's budget at the rate of Rs 25/- + 5/- per mensem towards the pay and allowances of the official

3 There is no Sanitary Inspector for this town After the inclusion of the Hosaholalu Village Panchayet about 2 years ago within the Municipal Limits, the area of the Municipality has very much increased There is at present only a Daffedar to supervise the work

the work of the sweepers and he cannot be depended upon for exercising effective supervision The need f o r employing a well paid executive subordinate is therefore greatly felt

4 In these circumstances, I agree with the Municipal Council and request that sanction of Government may kindly be obtained to the appointment of an Assistant Sanitary Inspector on Rs 25/- + 5/- per mensem for a period of one year in the first instance

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mandya District

SIR

RE POSTING OF ASSISTANT SANITARY INSPECTOR
TO THE KRISHNARAJPET MUNICIPALITY

With reference to your letter No L 2314/42-43/11
55-42-17 dated 27th August 1942 and subsequent reminders enquiring whether the next batch of trained Sanitary Inspectors would be ready for being made available for posting them to Municipalities especially to the Krishnarajpet Municipality I have the honour to state that the present batch undergoing training now from September 1942 - would be ready in July 1943

The delay in replying the letter under reference was to see if any of the candidates passed out of the last batch in August 1942 could be made available for posting to the Krishnarajpet municipality but it is since found that it is not possible to spare any from the previous batch

I have the honour to be
